Fundraising Event for Tri-State Canine Response Team

Tri-State Canine Response Team is an all-volunteer organization comprised of specially trained dog and handler teams providing emotional support to first responders, hospitals, schools and universities, and other local facilities. Our teams are qualified to deploy nationally during times of crisis. We have visited Orlando, FL, Las Vegas, NV, Sutherland Springs, TX, and Parkland, FL to support those affected by mass shootings. Most recently, we provided support to the students and staff of Paramus, NJ in the wake of the tragic school bus accident.
